# Face to Face Classes in 2022

**Important dates and registration information for on-campus classes**

Dear Students, Parents and Agents,

We are so looking forward to welcoming you to Sydney. Below are the dates when UNSW Global will offer Face to Face (F2F) on-campus classes for our **Foundation Studies** programs in 2022. We recommend that you arrive in Sydney to join your course when it transitions to F2F mode.

If you are unable to fly to Sydney for F2F classes on the first dates listed for your course, then that is OK – we have included optional dates, and will continue to offer programs online until you can arrive in Sydney.

At UNSW Global the safety and wellbeing of our students comes first. Our dedicated Student Support Team are here and ready to offer support and help you with any questions you may have about getting ready to travel to Sydney to enjoy our UNSW Global learning experience.

We look forward to welcoming you to UNSW Global in Sydney.

# Very Important: Tell Us Your Plans

We ask that all students please complete the form included on **page 7** of this document to confirm your study mode in 2022.

To complete the form, you will need to upload proof of your Sydney accommodation booking, or your flight ticket to Sydney - so we know you are coming. We know circumstances can change so do not rush – please plan carefully and only complete this form once your travel is secured.

Once we receive your completed form and confirmation of arrival date, we will plan your new timetable, which will be a combination of F2F and online classes.

**Note: you will be with new teachers and classmates in your new on-campus classes.**

## Quarantine / Arriving on Time

If you are planning to travel to Sydney to study on campus at UNSW Global, we strongly recommend that you familiarise yourself and keep updated with any Australian Government quarantine requirements to ensure that you arrive, and are out of quarantine, **at least 3 days** before your F2F classes start.

For the latest information, please refer to these useful Government resources regarding COVID-19 tests and vaccination requirements.

- [Australian Government](#)
- [New South Wales Government](#)

Students will not be able to arrive and join F2F classes unplanned. The timetables for every program are carefully organised to ensure we can continue offering both online and F2F classes together

If you are unable to arrive on time for the first F2F date in your program, you will have to continue learning online until we can timetable you into the next F2F start date.

# F2F Days Per Week

Many students have already told us they will arrive in Sydney in different months across 2022.

It is important for students to understand that initially not all subjects will be offered F2F in your program, until we have approximately 50% of our student cohorts in Sydney. Therefore, F2F class schedules will commence with targeted subjects only, across 2-3 days per week. The other subjects will continue to be offered online, and will be supported by F2F consultations.

Spaces on campus will be available for you to participate in your online classes when you are not in a F2F class, or you can choose to participate in your online classes from home.

Regardless of your location (Sydney or otherwise), lectures and graduations will be offered online for most of 2022, or until we have had most of our students return to Australia.

## Any Questions?

We recommend you read the following documents and use the Important Student Contacts on **page 9**.

# Under 18 Students Important Information

If you are under 18 years old, and you are planning to travel to Australia while still under 18, you must obtain written approval from UNSW Global to travel, as a condition of your student visa. If you travel to Australia, without receiving written approval from UNSW Global your CAAW may be cancelled, and this may result in cancellation of your student visa. We don't want that happening to you, so please follow the advice carefully and ask us for help if you need it.

If you are Under 18 and will continue to be Under 18 on arrival, you have two options:

## Option 1

Live in Sydney with your parent or a nominated guardian.

This arrangement must be approved by Department of Home Affairs (DHA).

## Option 2

Obtain **Confirmation of Appropriate Accommodation and Welfare (CAAW)** letter from UNSW Global. Access the [CAAW Form](#) here.

## Before You Travel to Sydney

If you are applying for CAAW now, or if you already have been issued with CAAW, you must follow the steps below before you can travel to Sydney.

### Step 1

Confirm your accommodation with one of UNSW Global approved accommodation providers:

- [Urbanest Darling House and Urbanest Darling Square](#)
- [New College](#)

Or homestay booked with one of the below providers:

- [Australian Homestay Network \(AHN\)](#)
- [Auzzie Families](#)
- [Oz Homestay](#)
- [Homestay Network](#)
- [Global Experience](#)
- [Study Vision](#)

### Step 2

Email copy of your accommodation booking to [Under18@unswglobal.unsw.edu.au](mailto:Under18@unswglobal.unsw.edu.au)

Once UNSW Global approves your accommodation, you will be asked to provide copy of your flight and confirmation of airport transfer.

### Step 3

Request your airport transfer from UNSW Global.

### Step 4

Final approval from UNSW Global will be sent to you via email after your accommodation, flight details and airport transfer has been confirmed.
